Keith Carlock (drums) Recently voted #2 in the "Best All Around" category in Modern Drummer's 2006 Reader's Poll, **Keith** has been backing Steely Dan since 2000's Grammy award winning "Two Against Nature." **Keith** played on each track of Steely Dan's subsequent recording, "Everything Must Go", and toured with Steely Dan in support of that record. Also Keith recently toured with Donald Fagen in support of 'Morph the Cat". **Keith** also spent two years touring with Sting on his Sacred Love Tour and has recently recorded with artists ranging from Faith Hill to Diana Ross. www.keithcarlock.com

Jon Herington (guitar) SD's New Guitar Guy" — arguably one of the most coveted slots in the annals of popular music. And also, potentially, one of the most intimidating; few musical roles receive the same amount of examination, discussion, and debate as does this one. But **Jon** is handling it all with "perfection and grace", turning out work which, to our minds, often evokes the melodic and rhythmic heart of cherished recorded versions while simultaneously displaying his own original and powerful musicality. Guitar Player Magazine called **Jon** a player with "one formidable voice" and "chops of doom". His debut album on Pioneer's Glass House records, "The Complete Rhyming Dictionary" was released in 1992. A second CD, "Like So", was released in 2000, and his collaboration with SD bandmate Michael Leonhart - "Slow" — was released in 2002. www.jonherington.com

Carolyn Leonhart-Escoffery (vocals) "**Carolyn** is some swingin' canary. You never know what this chick is going to do next" quips Donald Fagen. **Carolyn** recorded backup vocals for Fagen's 2006 solo "Morph The Cat", Steely Dan's "[Two Against Nature](#)" and "[Everything Must Go](#)" (the latter in a featured role), toured with Al Jarreau, and is a member of the Zurich-based Lyn Leon. She has also released two jazz CDs of her own: "Steal The Moon" 2000 and "New 8th Day" 2005. www.carolynleonhart.com

Jeff Young (keyboards & vocals) A world renowned keyboardist and vocalist, **Jeff** has recorded with Donald Fagen, Jackson Browne, Sting, Al Green, Shawn Colvin and Bonnie Raitt- just to name a few. An artist in his own right, **Jeff** brings together the ultimate symbiosis of soul, reggae, R&B and world rhythm to create a style, truly all his own. Currently working on a new release, "Songs from the Red Wurlitzer". www.jeffyoungmusic.com
